“CLARIFICATIONS or ERRATA or DELETION or MODIFICATION”

to be carried out in bidding document of civil works of

“Construction of Additional Spillway with Hydro-Mechanical Works” on left of Gandhi Hillock at Hirakud Dam –

(i) **Orisha -DoWR’s Request no : 5 dated: 26/10/2017**

S. N.	Part No./ Page No	Clause No.	As requested by Bidder	PROVISION As per Bidding Document	Reasons/ Justification of Errata / Deleted/ clarification/ modification requested by O-DoWR
1	1&2	80/9	Please clarify about the size of gates. Also if size of gate approved in design differ from the size mentioned in BoQ or Specification what will be the basis in change in unit rate for payment?	The size of radial gates prescribed in Part 2, specification clause 2.2 is 15 x 15m. Whereas in BOQ rate is to be quoted for 15 x 16.557m.	Opening size of Crest gates is 15m x 15m but physical size of gate could be different as it would be finalized in detailed design depending on the location of the bottom sill beam over Crest profile.
2			Please clarify about the location of nearest GSS	Location of nearest power sub station is not clear in the bid document	Nearest 33 KV station is approx. 4 Km from Additional Spillway location.
3.			Please clarify the procedure	What provisions are for payment of unforeseen activities felt necessary to be executed at the time of execution of work?	Any unforeseen items shall be dealt with as per Clause 13 of Condition of Contract & other provisions
4.			Request for Extension of the tender submission date by further 4 weeks	Submission date for the tender as per NIT is 16.11.2017	No Extension for submission of tender is acceptable.
5			As per NIT quantity executed in any one year in any contract during last five years, but as per section III Evaluation and qualification criteria, quantity executed during last 10 years. So please clarify executed quantity in any one year during the last 5 years or 10 years and also clarify executed quantity in any one year or total volume of 10 years	Clause No. 5(e) of NIT & clause No. 4.2(b) of section III Evaluation and qualification criteria	It shall be “10 years” for both Civil Works & H.M. works
