NOTICE

EMPANELMENT OF ROOF WATER HARVESTING CONSULTANTS (RWHC)

The Department of Water Resources (DoWR), Govt. of Odisha, is implementing the scheme “**CHHATA**” (Communal Harnessing & Harvesting rain water Artificially from Terrace to Aquifer) for a period of 5(five) year beginning from FY 2022-23 to promote adoption of Rooftop Rainwater Harvesting System (RRHS) which will be covering 27 ULB/NAC/ towns of the State. As a part of the Scheme, **Roof Water Harvesting Consultants (RWHC)** shall be trained and empanelled by Ground Water Development (GWD), Odisha for execution of RRHS work in the State during the scheme period. They will prepare feasibility report, cost estimates and provide technical guidance & supervision to private building owners for installation of RRHS under the Scheme. The RWHC will be paid a consulting fee of Rs. 6000/- per building after successful completion, commissioning and testing of RRHS executed under his/her supervision.

Applications are invited in prescribed format (Form-B) from the unemployed diploma or graduate Engineers /graduates in Geology/Applied Geology or above for empanelment of RWHC. The applicant should be a permanent domicile of Odisha State as on date of application. The applicants who have already applied for empanelment of RWHC by 15/01/2019 (in response to the advertisement dt.04/12/2018 in “The Samaj”) need not apply again.

Application form (Form-B) and guidelines of the scheme etc. can be downloaded from DoWR, Odisha website: <https://dowr.odisha.gov.in/projects-%26-schemes/schemes/ground-water-development> . The applications (in Form—B) along with required self attested documents in support of educational qualifications & experience shall be received in speed post/registered post on or before **06.10.2022 (upto 5PM)** at the office of the undersigned. Applications sent through facsimile/fax/email shall not be entertained. Applications found incomplete in any respect shall be rejected. Short-listed Applicants based on qualifying criteria will undergo short-term training for two weeks on RRHS and related subjects at Bhubaneswar at their own arrangement. No TA/DA/Boarding charges are admissible for the training. The short listed applicants will be intimated about further details only through their e-mails. After successful completion of the training, they will be empanelled as RWHC to work in the 27 ULB/NAC/towns. The empanelment shall be valid for five years from the date of issue of RWHC- ID.

The Chief Engineer & Director, GWD, Odisha, Bhubaneswar reserves the right to accept/reject any applications without assigning any reasons thereof.
