

GOVERNMENT OF ODISHA

DAM REHABILITATION AND IMPROVEMENT PROJECT (DRIP)

World Bank - IBRD LOAN NO-7943-IN AND IDA CREDIT NO-4787-IN

REQUEST FOR EXPRESION OF INTEREST

EOI No.: NCB-UMB/ -01/ 2019-20

No. 2806

Burla, Dated: 23.5.2019

The Government of Odisha, Department of Water Resources (the Owner), has received financing from the World Bank toward the cost of the "Construction of Additional Spillway" of Hirakud Dam, under the Dam Rehabilitation & Improvement Project (DRIP) and intends to apply part of the proceeds for consulting services.

The Consulting Services ("Services") include implementation of RAP and R & R activities on the project works of Construction of Additional Spillway, Hirakud Dam.

Consultancy Services include under implementation of RAP but not limited to:

- (i) implementing the Resettlement Action Plan, community mobilization & involve people in the project implementation, facilitate grievance redressal, look after relocation & resettlement, restoration of common property resources, and other related services.
- (ii) must have experience of implementing large-scale Resettlement Action Plan (with minimum 2000 households), and must have working experience in implementation of land acquisition and resettlement plan of at least three externally funded development projects.
- (iii) the implementation period will be maximum 12 months or till completion of RAP implementation, whichever is earlier.

The Executive Engineer, Additional Spillway Division, Hirakud, representing the Owner, now invites eligible consulting firms to indicate their interest in providing the Services. Interested Consultants should provide explicit information demonstrating the requisite qualifications and relevant experience to perform the required services. The short listing criteria are as under:

- (i) Bidder should be an agency registered under appropriate statute enabling it to provide the specified services.

- (ii) The bidder must have experience of implementing large-scale Resettlement Action Plan (with minimum 2000 households), and must have working experience in implementation of land acquisition and resettlement plan of at least three externally funded development projects.
- (iii) It should have experience in the field of resettlement policy analysis and RAP implementation for at least one urban infrastructure project for any Government Agency.
- (iv) Having appropriate Financial Turnover with a positive net worth of last five years.
- (v) It must have 1 (one) R&R Manager with minimum 10 years' experience, 1 (one) R&R Expert with minimum 7 years' experience, 2 (two) Gender Expert with minimum 5 years' experience, 1 (one) Livelihood Expert with minimum 5 years' experience who are experienced with RAP implementation and having excellent skills in writing and reading English, Hindi & Odia and must be conversant in Hindi and Odia and 4 (four) community organizers, preferably local youth, with at least two being local women.

Interested agencies should submit proposal for the work with a brief statement of the approach, methodology, staff strength, and relevant information concerning previous experience on monitoring and evaluation of resettlement and rehabilitation implementation and preparation of reports.

The attention of interested Consultants is drawn to paragraph 1.9 "Conflict of Interest" and paragraph 1.23 "Fraud & Corruption" of the Guidelines.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. The type of association should be clearly stated in the EOI submission.

A consultant will be selected in accordance with the World Bank guidelines: *Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers* of January 2011, based on the "Fixed budget Based Selection" method criterion.
